A VISIT WITH THE KURZ FAMILY AT THE GOLDENER ADLER HOTEL IN ISCHGL

www.goldener-adler.at

THE HOLIDAY RESORT: Ischgl - 1,400m above sea level, holiday destination of superlatives. Mountain hotspot. Mecca for winter sports and summer paradise.

THE HOTEL: First mentioned in historical documents in 1640. Nowadays an affectionately designed top-class four-star hotel and one of the first hotels in the area.

THE SENSE OF DELIGHT: Here you will feel the desire to seize every moment with vitality and lust for life. Nothing more and nothing less!

DEAR GUESTS.

Ideas about a dream holiday are as individual as people themselves. However, there is one thing that everyone can agree on: The atmosphere needs to be right! Everyone wishes to feel good, indulge him or herself, and find some peace and quiet in order to truly enjoy the small and large pleasures of life.

„We love to serve our guests and make their holiday more enjoyable“ - with this motto we aim to create the very best atmosphere everyday at the Goldener Adler: both within the hotel itself, which offers everything you need to feel good, and in our idyllically situated mountain cabin “Klein Zeinis”. Our dedicated employees will pamper you with a gluten-free culinary offer, which will make any gourmet’s heart beat faster, and with our diverse family holiday offers, which will add the perfect mix of activeness and relaxation to your summer and winter and make your holiday dream complete.

On this note, we are looking forward to having you as our guests.

THIS WINTER WILL GIVE YOU NEW STRENGTH.

Winter holiday in the Hotel Goldener Adler:

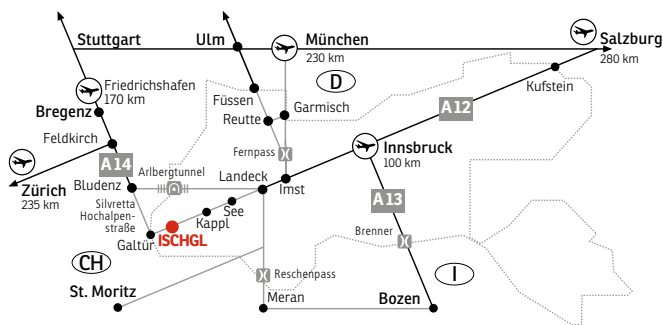

-  238 slope kilometers
-  the longest downhill slope ELEVEN, (11 km from Greitspitz to the village)
-  44 Lift and cable car facilities: 3 cable cars, 2 aerial passenger lines, 25 chair lifts, 13 T-bar lifts
-  525 hectares of slopes
-  1.100 snow machines
-  Cross-country ski runs from an altitude of 1,377 up to 2,036 m
-  Toboggan run at 950m difference in altitude
-  PLAYSTATION@VITA ISCHGL SNOWPARK
-  Endless winter hiking trails ...

These facts make it clear why Ischgl is one of the world's best ski resorts and offers the ultimate skiing pleasure. More important than these numbers is the experience itself – and it is sure to be unforgettable. At the Goldener Adler you will experience these winter pleasures in a very special way: stylish accommodations in a hotel rich in tradition, which is close to the ski lifts, the village tunnel and in the middle of the pedestrian zone with marvelous views of all the action. And you can arrange your winter holiday just the way you like: head out to the slopes early in the morning for unbeatable winter sport fun and return to the Goldener Adler in the evening to relax: delightful moments in the spa area, an excellent culinary offer in the affectionately decorated Tyrolean restaurant, a nightcap at the hotel bar ... Or be part of the party scene and the flashy night life – the legendary après-ski hot spots, bars, pubs and nightclubs are all just a few minutes away by foot!

The winter nights are longer than the days in Ischgl. The extraordinary appears to be the norm here ... Experience it in an extraordinary place –the Goldener Adler!

FEEL THE FREEDOM. INDULGE YOURSELF IN THE MOUNTAINS ...
